

The Pensteel range of IBC Accessories - Covers

Black Plastic IBC Covers

Primarily designed for use by the food industry and used to cover FDA approved containers prior to filling, our covers are now used within the coatings industry to reduce the effects of overspill during the filling of the IBC; as well as being used as dust covers during storage.

Please note: these covers are not for UV protection of your products

Quantity	50	100	500	1000	2500
